

LED 5mm traffic light

China manufacturer micro led diode high bright through hole light emitting diode 5mm red, yellow, green led for led traffic lights.

Package Dimensions

Unit: (mm)

Tolerance: ± 0.25 mm

Dip Diode LED Parameters

Model Number	ZD-5mm red/yellow/green traffic light
Model Name	5mm Round Through Hole LED
Reverse Voltage	5V
Operating Temperature	-25~+85 degree
Soldering Temperature	260 degree
Forward Voltage	1.8-2.4V/2.8-3.6V
Reverse Current	10uA

Work Current	20mA
Beam angle	30,45,60 degree
Shapes	Round
Luminous	10000mcd

5mm Diode LED Applications

1. Indoor and outdoor commercial lighting
2. Architectural Lighting
3. General lighting
4. Automotive lights
5. Mood Lighting, LED module
6. Traffic Light
7. LCD TV / monitor backlights
8. LED display
9. Reading light, LED torch
10. Craft flashlights, headlights, etc.

More related Dip LEDs

1. Size: 3mm, 4.8mm, 5mm, 8mm,10mm
2. Shape: round, flat top, square, straw hat, Oval, Concave, Super Flux
3. Emitting color: red, yellow, amber, blue, green, white, purple, pink , orange, amber, warm white, bi-color, tri-color, RGB 4 pin, RGB flashing, Infrared
4. Beam Angle: 15, 30, 45, 60, 90, 120 degrees
5. Wave length: 395-625nm 850nm 940nm
6. Forward Voltage: 1.8-2.4V for red, yellow, and amber color, 2.8-3.2V for white, blue, green, white, pink, purple
7. Forward Current: 20mA / 100mA / 150mA
8. Lens colors: water clear, white diffused, color diffused
9. Life Span: 100,000HRS
10. Packing: 1000Pcs/bag
11. With CE / ROHS / ISO9001:2000 Approved

WHY CHOOSE US

Customized design is available, OEM and ODM are welcomed.

We have best production capability, best quality control, best service.

Reply your inquiry in 24 working hours.

Customized design is available, OEM and ODM are welcomed

CERTIFICATION

ABOUT US

Dongguan Zhiding Electronics Technology Co., LTD is a high-tech enterprise specialized in manufacturing, designing and selling high quality LED lighting and LED related products. Zhaoqing Factory has more than 1000 employees, including more than 80 technicians focused on research and development.

We have advanced testing equipment, can be "normal temperature continuous light life test", "high temperature and high humidity cycle test", "cold and hot shock cycle test" and "high and low temperature storage test", "high and low temperature continuous light test", "salt spray test" and reliability test, for all kinds of product reliability test of periodic on a regular basis, provides the high quality for our product quality assurance.

Dongguan Zhiding Electronics Technology Co., LTD is a high-tech enterprise specialized in manufacturing, designing and selling high quality LED lighting and LED related products. The factory has fully automatic production machines, the international general test equipments, and excellent equipment reliability experiment. From materials in storage, to process design, to product manufacture, each production process is in strict operation accordance with the ISO9001 quality assurance system. We aims to build a well-know international brand by senior talent advantage inline, perfect manufacturing technology, reliable production process, close and fast after-sales service.

The main products include: LED for lighting, dip LED lamp, SMD LED, piranha LED, high power LED, Display, LED lighting and LED relevant products

Operation philosophy: Honesty and Quality first

Our mission: With innovation and sincerely cooperation, our team will:

Establish comprehensive quality management system

Pursue perfect target work

Provide satisfied services for customer

FAQ:

Q1, What is the package of dip diode led products?

A1. Normally, 1000pcs led diodes with a sealed Anti-Static bag, several bags with a carton

Q2. How long of your delivery time?

A2. 5-7 days for samples, 1-2 weeks for formal order.

Q3. How long of your warranty time?

A3. We offer 3 years warranty.

Q4. How can I pay the order?

A4. Usually we accept T/T, Paypal and Western Union. If you want to pay by other ways, please contact us.

Q5. Can you provide customization and OEM service?

A5. Yes, we offer customization and OEM service, please tell us your requirements clearly.

Most of the regular items, we are stocked, so we have an advantage in the delivery period. In the absence of inventory, we will arrange production as soon as possible according to customer needs. Providing quality service to customers is the basic premise of our sales. Welcome to inquire about our products!
